Summer is Here, wow is it ever. With it being as dry as it is, and the wildland fires, please be careful even in your own back yard.

Junes general meeting was very busy with voting of officers. Thank You very much to all that voted. Congratulations to Carolyn being voted in for Commodore. I am sure she will serve the membership well. July's meeting is the Officers picnic, Saturday, July 11th at the Brownsville Yacht Club, 2pm is the time for social, 3 pm is the meeting and food is at 4pm. I will be cooking hamburgers and dogs.

Once again, this is your club, so let's make it the best around on the sound.

REAR COMMODORE'S REPORT

Summer has finally arrived! This is such a great time of year and to me there is nothing better than warmth, sunshine and to see people getting together and enjoying friendship and boating.

The month of July is certainly bringing our club much positive activity, which is evident in our club gatherings and club rentals. Rentals for this month consist of joyful gathering of birthdays, weddings, anniversaries and retirements. Thank you to all for assisting me in keeping the club clean and inviting for all who utilize the facility.

Please be aware that although members do have the use of the club house, let's be respectful of the rental events that are in progress. Check the calendars, either on our website or the one posted in the club house.

Looking forward to seeing everyone and enjoying the day at the Officers Picnic.

Fair Winds,
Rear Commodore
Carolyn

FLEET CAPTAIN

Summer Greetings Brownsville Boaters,

In the shank of the summer boating season I hope all of our members are getting out on their vessels and enjoying the unprecedented number of sunny days we've had so far.

Our Bremerton cruise was on one of our first beautiful weekends of the summer. Our spot was lovely on the outer guest dock. Saturday lunch at Moon Doggie's followed by sightseeing and shopping in Port Orchard were enjoyed by the group including several members who came by land. While the cruise was not hosted, a fabulous pizza dinner was provided by de facto hosts, JR and Tina. It was a great evening followed by an equally lovely Sunday allowing for a pleasant return trip to our respective home ports.

Thanks to all the members who participated and made the trip truly memorable.

[EVENT NAME]

[You can add a description and key information about event here.]

July Cruise to Edmonds currently has only three attendees signed up for the trip on July 24-26. If you wish to join in on this summer beach party cruise, please contact me (206-498-0620) no later than July 11th, so that I can verify slip requirements to Zach at the Port of Edmonds. Preregistration and payment for your stay is not required prior to the trip, but Zach has requested that I confirm the number of boats that will be there. So accommodating, I'd like to make sure we get back to him in a timely manner. Thanks for your help with this.

While there is no cruise in August, our Labor Day cruise, September 4-7, has been planned for The Port of Everett, guest dock 6. If we have 10 boats signed up then the activity barge is provided free of charge, less than 10 there is a \$100 charge for the barge. After a cancellation there we were lucky enough to grab this reservation. Please let me know by July 11th if you plan to attend as I must reply to the Port office in Everett.

Now is a great time to begin building our cruising schedule to for the upcoming season, so if you have any ideas or preferences, please let me know. A few members have come forth with offers to host at favorite destinations. Your suggestions are appreciated. Remember, you bring the fun. Charlene
