CAROLYN, REAR COMMODORE, S/V ABSOLUTELY

FLEET CAPTAIN

Hello BVYC Members,

Our last cruise for the 2014-2015 season is our traditional Labor Day cruise. This year the event will take place in the Port of Everett Marina. We are hoping the great weather we have had all summer will hold out for this one last trip.

At our general meeting and installation dinner coming up on the 12th the new cruise schedule for 2015-2016 will be unveiled. There have been a few changes and modifications from previous years that will hopefully meet with approval and perhaps some enthusiasm. I'm looking forward to this nice evening of socializing and planning for our club.

Cheers,

Charlene Holmes
